**Welcome to
Motla Projects.**

ABOUT US

Motla Projects (PTY) LTD is a multi-discipline construction company situated in Gauteng South Africa which was established on the 25th of July 2000 as a Close Corporation and recently converted to a Private Company. Motla Project is 100% wholly black and Woman owned and is registered as Grade 8CEPE, 6GBPE, 5MEPE and 1EPPE with the Construction Industry Development Board (CIDB). We are also registered with other Statutory Bodies such as National Home Builders Registration Council (NHBR) and The Bargaining Council for the Civil Engineering Industry (BCCEI). The company is Level 1 B-BBEE Contributor, and continuously promotes continuing professional development amongst staff in relevant knowledge areas, for enhancement of service levels and to facilitate growth.

[LEARN MORE ABOUT MOTLA PROJECTS](#)

Background & Core Values

Over the years, Motla Projects has been involved in numerous projects, but our main speciality is water pipeline and sewer pipeline construction. Motla Projects is highly known for their project management efficiency, high quality of work, completing projects timeously and ensuring customer satisfaction is maintained. We are highly equipped on the latest technologies used to enhance efficiency when executing our projects and we have highly experienced and qualified personnel. We strive to ensure the highest level of quality is achieved across all our operations.

The aim of quality management is to ensure that the highest levels of quality are consistently attained on all projects by using the best and latest construction practices within the core activities of Motla Projects.

LEARN MORE ABOUT WHO WE ARE

Mission

To provide professional excellence in civil engineering and general building construction works(CE AND GB) by constructing sustainable water sewer pipeline and domestics and industrial building.

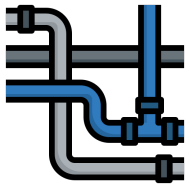

HOW WE PLAN ON PIONEERING THE FUTURE

Vision

To become a leading dynamic construction company, competitive locally and internationally while delivering quality services that constantly meet international standards.

LET'S TAKE A DEEP DIVE INTO WHAT WE DO

OUR SERVICES

Water and Sewer Pipeline

- Steel pipe
- UPVC
- HDPE
- Bulk water
- Reticulation
- Emergency repairs
- Outfall sewer
- Pipe jacking
- Pipe cracking

Civil Works

- Water treatment plant
- Pump station
- concrete structure
 - reservoirs
- gabions and stone pitching

Roads and Earthworks

- Road construction
- Bulk earthworks and platforms
- Paving and sidewalks

General Building

- High rise
- Low cost houses
- Community halls, schools
- Refurbishment and renovations
